

To our loyal and valued customers:

With the holidays descending upon us during this challenging year, we have been doing some very extensive thinking and planning on how to best serve all of you during our traditionally busiest months of the year. In past years, we have been very fortunate to have so many customers come into our store to pick up their favorite items for Thanksgiving, Christmas, and New Years. However, in the interests of everyone's safety, well being, and providing the best and most efficient service possible, we have decided on the following:

Effective November 1st, 2020, all orders for a future time or date placed in person or over the phone must be pre-paid. This will help us regulate the amount of people in our store during the busiest times as well as provide faster service to those who have placed orders in advance. If you have not yet had the chance to try our [online ordering system](#), we encourage you to do so and see how fast and easy it is to place an order 24 hours a day!

In addition, on high volume days, such as November 24th and 25th, December 20th - 24th and December 31st, we will be staffing an order pickup station outside our main entrance for those picking up their pre paid orders to allow plenty of distancing for those who are shopping. At times, we may need to limit the number of people within our store, but we promise to do our best to serve everyone to efficiently and courteously under these circumstances.

At this time, we do not foresee any major product shortages, and we plan on offering our wonderful Thanksgiving Turkeys and Dinner Packages plus all of your Christmas favorites, and more. Thank you for your understanding, and we hope that you, your family and friends have a safe and cheery Holiday Season. We look forward to serving you over the next few months.

Sincerely,

The management and staff of

Absolutely Fresh Seafood Market
